PERSPECTIVES
 on the World Christian Movement

"...I heartily endorse this effort."
- Bill Bright, *Campus Crusade*

"If I had my way, every believer
would take this course."
-Dr. C. Peter Wagner

Take Perspectives! It will ruin
you for the ordinary!"
-Floyd McClung, *YWAM*

"It's difficult to run the race
unless you know where to go.
For many Christians, Christianity
is like a puzzle spilled out on
the floor. Perspectives puts
it all together by showing us
the box top and by helping us
understand how missions is
at the very heart of God. It not
only changed my music and
my ministry, but the very
way I live."
-Scott Wesley Brown

GOD IS ON THE MOVE

God has been moving among the nations to show Himself as the true God and to reconcile people to Himself through Jesus. Throughout history God has used His people to accomplish His purposes. We are His chosen tools to communicate His salvation to all people of all cultures. God is always seeking strategic participants to aid in carrying out His plan for world evangelization.

DISCOVER THE COURSE HE HAS CHARTED

We're offering you an opportunity to learn about God's intentions and actions in the world through Perspectives On the World Christian Movement. Perspectives is a dynamic, internationally respected 15-week study program developed by the U.S. Center for World Mission. It has been offered worldwide, with over 70,000 graduates.

Perspectives provides a single, comprehensive source of information on the unfinished task of world evangelization. You cannot find this information in a newspaper, library, Sunday school class, or even on many Christian College campuses. Each week a different speaker will enlighten you, and you will be motivated to examine your perspective in several ways:
