5/08/06

Dear Co-Labors in Christ,

We trust this season brings the joy of our Lord to you and your ministry.

We come to you at this time to express a growing need in our County. As Love INC identifies and verifies individual needs, there has been an increase of requests in providing household items for those coming off the homeless lifestyle and coming out of recovery programs.

In prayer about this need, we have contacted Wayne Shafer (Board Chair for the Sienna House) and he has agreed to provide property in Scotts Valley to house two 8'x20' storage units at no cost. We also contacted Jim Hanzlik in Watsonville and he is willing to provide those two units at a cost, with delivery, for \$2,000. (retail is: unpainted \$2,400 per unit) These units will be available in three weeks.

My request to you is three fold:

1. Donation to the cost of these units
2. Announce to your congregation that we accept household items to donate for those in need.
3. Volunteers to pick up and deliver.

We thank you for your passion and partnering with us as we work together to fulfill scripture in helping the poor.

Donations can be sent to Love INC P.O. Box 1602, Soquel Ca. 95073 (storage units) Our Phone # for volunteers can call our office @ 457-1054 or my cell @ 325-3080.

May God Bless you richly

Bill Carlsberg
Ex. Director
